Below this, it says "For your registration you may need" and lists three items: "Credit/Debit Card Details (if paying online)", "To upload a passport style photo", and "Working with Children Check info". At the bottom is a blue "Get started" button. A yellow arrow points from the banner above to this button.

- a. Completely new registrant, never used Play Football before for children, partners etc
 - i. (Useful tip – if creating an account from scratch avoid using a work based email address unless you're 100% certain that you'll always have access to your work email address (even after you've left))
 - ii. Create Account. Complete all necessary fields

A dialog box titled "Before you create an account..." with three columns of questions: "Did you register last year?", "Have you previously registered prior to 2019?", and "Make sure you create an account as yourself". Each column has a "SIGN IN" or "CONTINUE" button. A yellow arrow points from the "CONTINUE" button in the second column to the "CONTINUE" button in the third column.

- Once registration in Play Football is complete, keep a written record of the FA number created and head to <https://registration.dribl.com/> to complete your registration with your club. **Do not wait for a confirmation of registration from Play Football as you will not receive one.**
- If you created an entirely new account for the first time, it's also a good idea to keep a record of the email address you used to create it, and the password you associated to it.
- NOTE:** at some point after you register you will receive an email from Play Football advising that your registration has been cancelled. This is an administrative function that stops us getting charged for your registration twice. **PLEASE DISREGARD THIS** as you will remain registered until such time as you receive a de-registration email from **Dribl**.
