- 4. Once registration in Play Football is complete, keep a written record of the FA number created and head to <u>https://registration.dribl.com/</u> to complete your registration with your club. Do not wait for a confirmation of registration from Play Football as you will not receive one.
- 5. If you created an entirely new account for the first time, it's also a good idea to keep a record of the email address you used to create it, and the password you associated to it.
- 6. NOTE: at some point after you register you will receive an email from Play Football advising that your registration has been cancelled. This is an administrative function that stops us getting charged for your registration twice. PLEASE DISREGARD THIS as you will remain registered until such time as you receive a de-registration email from Dribl.
